

# Leah J. Konicki

Principal Investigator/Architectural Historian

9376 Castlegate Drive ● Indianapolis, IN 46256 ● Phone: 317.915.9300 ● lkonicki@ascgroup.net

## PROFESSIONAL RESPONSIBILITIES

Ms. Konicki is a principal investigator and architectural historian for the Indiana office of ASC Group, Inc. She is responsible for surveying and documenting historic resources and preparing historic property reports and Section 106 documentation for projects which include above-ground resources.

## EXPERTISE

- More than 30 years of experience in the fields of architectural history and historic preservation.
- Conducting Section 106 investigations for DOT and other federally-funded or regulated projects.
- Evaluating structures and districts in urban areas for linear corridor projects.
- Understanding of Section 106 regulations, NHPA, and NEPA.
- Determining National Register eligibility for buildings built from the mid-nineteenth through the mid-twentieth century.
- Preparing National Register of Historic Places nominations.
- Documenting properties for HABS/HAER.
- Preparing Historic Tax Credit applications.
- Management of a Programmatic Agreement between the City, the State Historic Preservation Office, and the Advisory Council on Historic Preservation.
- As a Program Director for a statewide non-profit preservation group, she assisted the board of directors in identifying priorities for preservation and in implementing strategies to preserve significant buildings.
- As an architectural surveyor consisted of surveying and documenting historic and architectural resources, researching local history, and reviewing county-sponsored rehabilitation projects for compliance with federal legislation (Section 106).
- Conducted training programs on topics ranging from the economics of historic preservation to architectural styles.
- Writing on a range of preservation topics, from technical reports to general interest articles.
