

Thomas Stetar, MA

Archaeologist

121 Orchard Drive ● Pittsburgh, PA 15236 ● Phone: 717.564.5705 ● tstetar@ascgroup.net

PROFESSIONAL RESPONSIBILITIES

Mr. Stetar an Archaeology Principal Investigator for projects in the Pennsylvania, West Virginia, and Kentucky regions as needed. He also manages the Pittsburgh regional office. He is responsible for archaeological surveys and reports. He has 18 years of supervisory experience in archaeology (principal investigator and field director).

EXPERTISE

Mr. Stetar has served at ASC Group and previous employers as a principal investigator, project director, field supervisor, and author on all phases of both prehistoric and historic sites, primarily in Pennsylvania, Kentucky, and West Virginia. His responsibilities include writing proposals and archaeological reports, supervising and conducting archaeological fieldwork, and interaction with clients, contractors, and government agencies. Also, he conducted detailed documentary research and informant interviews. He is the author or co-author of more than 30 cultural resource reports. Mr. Stetar has also conducted historic structure evaluations for National Register of Historic Places eligibility. Mr. Stetar served as the Interim PennDOT District 12-0 and 4-0 Cultural Resources Professional. Mr. Stetar has completed the Cultural Resources Essentials Workshops, administered by the Pennsylvania Historic and Museum Commission, as required for PennDOT Cultural Resources Professional delegation. Mr. Stetar is fully delegated by PennDOT as a Cultural Resource Professional.

SELECTED PROJECT EXPERIENCE

- Hulton Bridge Replacement over Allegheny River, Allegheny County, Pennsylvania. Served as field supervisor.
- PennDOT's P3 Bridge Initiative. Numerous assignments. Served as Cultural Resource Professional.
- S.R. 2008, Section 009 Kreutz Creek Phase II Archaeological Survey, Hellam Township, York County, Pennsylvania. Served as field supervisor.
