

Samiran Chanchani, PhD
Kentucky Regional Coordinator/Project
Manager/
Principal Investigator-Architectural Historian

CULTURAL • ENVIRONMENTAL • HAZARDOUS
EVALUATION & CONSULTING

PROFESSIONAL RESPONSIBILITIES

Dr. Samiran Chanchani, Kentucky Regional Coordinator, is an Architectural Historian who meets the U.S. Secretary of the Interior's Standards professional standards. He has a wide-range of experience as Architectural History Project Manager and Principal Investigator, handling Cultural Resources and Historic Preservation Projects in Ohio, Indiana and Kentucky, as well as the Southeast and the Mid-Atlantic regions of the United States. In addition to overseeing all Cultural Resource projects in Kentucky, he assists with proposal preparation and all marketing efforts. He develops Historic Contexts and completed Sections 106 and 110 Historic Architectural Surveys, National Register of Historic Places nominations, Historic Preservation Management Plans, Historic Rehabilitation Tax Credit Applications, Section 106 and 110 documentation and reviews. Apart from working as a qualified Historic Preservation professional, Dr. Chanchani has taught Architectural History and Theory courses and the Second Year Design Studio at the School of Architecture and Interior Design, DAAP, University of Cincinnati.
